

## Latin IV Summer Work

In order to prepare to take the AP Latin test next year, it's important to review/preview vocabulary, literary terms, grammar, and literary characters.

Part I: Reading: Complete the following reading:

- 1) Vergil's [\*Aeneid\*](#)
- 2) Caesar's [\*De Bellico Gallico\*](#)

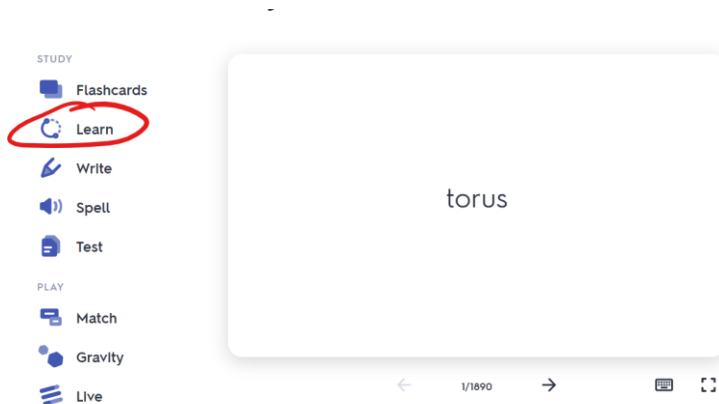

Part II: Quizizz:

First, you will need to [join my Quizlet classroom](#) (NOT Quizizz):

There are three different Quizlet quizzes:

- 1) [AP Latin Vocabulary](#): Take 4x in the **Learn** Mode: 30 words each time. Written words
- 2) [AP Latin Grammar: Verb Tense and Noun Cases](#). Take 4x in the **Learn** Mode: 30 words each time. Written words
- 3) [AP Aeneid Characters, Grammar Terms, Literary Terms](#). Take 4x in the **Learn** Mode: 20 words each time. Written words

Each Quizlet quiz should be taken four different times in the **Learn** mode.

You should also change the Learn mode Options to Written Words mode:

The image shows a mobile app interface for Quizlet. At the top is a blue header with the word "Options" and a close button. Below this is a section titled "STUDY STARRED" with two buttons: "All" and "Starred". The next section is "GRADING OPTIONS" with two buttons: "Exact answer" (highlighted in yellow) and "One answer". Below this is a note: "Mark the question as correct when at least one answer is provided. Answers must be separated by a slash (/), a comma (,) or a semicolon (;)." The "ANSWER WITH" section has two options: "Latin" (checked with a yellow box and circled in red) and "English". Below this is a note: "You will be asked to recall the term." The "QUESTION TYPES" section has three options: "Flashcards" (unchecked), "Written questions" (checked with a yellow box and circled in red), and "Multiple choice questions" (unchecked).

I have created a PDF document for each one of these quizzes to help you with the quiz.

**Ideally, you should NOT complete this until the beginning of August.** The goal is for you to have the words/terms fresh in your mind when you begin the school year.

You should have all three Quizlet quizzes completed by the first day of class, which is Wednesday, Aug. 15. These will be worth 60 points total for a first quarter grade.

Please email me if you have any questions.
